WHEN IN ROME

When in Rome, do as Romans do. We are all familiar with this old adage. So, as Romans, we have some pretty clear ideas about what is eternally beautiful in the amazing Eternal City.

Some places are so iconic that you really can't miss them—but you can benefit from exclusive entrances, reserved opening times, and specialized experiences. These sites include the majestic Colosseum and Pantheon, the elegant Spanish Steps close to the boutiques on Via dei Condotti, and the Trevi Fountain, famous for its appearance in Fellini's movie *La Dolce Vita*. Other locales, however, are more unexpected and intimate, and we look forward to designing a personal tour full of unique gems and secret corners throughout Rome.

We also love the evocative hills, lakes, and towns around the Italian capital: the Medieval castles of the Castelli Romani, well-known for their food and wines; the impressive aristocratic villas and gardens of Villa D'Este and Villa Adriana in Tivoli; or, finally, the decorated Etruscan necropolis and archaeological sites of Cerveteri.

ROME	IMPERIALE 4*

ITINERARY

Day 1 ROME

Welcome to Rome! Meet our driver at the airport and transfer to your hotel. Dinner at the Hotel Imperiale's Restaurant. Overnight stay in Rome.

Day 2 ROME

Today a must-see for every traveler who visits Rome: the Colosseum, the symbol of Rome! You can now take advantage of our exclusive prime service and enjoy this day in the most relaxing way. Wake up in the morning at your centrally located hotel and after breakfast wear a pair of comfortable shoes and wait for our driver to come and pick you up; you'll reach the archaeological area to join a super-agile small group of less than 8 people. Gain your special access to the Colosseum and, once inside, breathe the bloody past of the Amphitheater and its atmosphere led by passionate and expert guides. This huge travertine and tuff structure could hold between 50,000 and 80,000 spectators, all hungering for pretty gory shows such as hunting games or gladiatorial fights. The tour includes also a guided walk in the Roman Forum, the cultural and political center of Ancient Rome, as well as a stroll around the Palatine Hill, the area where the city of Rome was legendary founded by Romulus and where the emperors used to live for centuries. At the end of the tour time at your leisure. Lunch on your own. In the afternoon reach Trastevere (Vicolo della Scalaccia 8) on your own ready to join our family-friendly class of no more than 12 people at Lo Studio (Vicolo della Scalaccia 8). We'll meet there for this hands-on activity. You'll learn what ingredients are needed to make the perfect pizza dough, how to knead it and how to top it properly. And you'll do it yourself, choosing your own ingredients: you'll be free to experiment with various recipes and toppings. Bake the pizza in the oven and wait for it to turn into a thin-and-crispy-but-still-fluffy delicacy. While the pizza is in the oven, enjoy your well-earned rest!

Relax and immerse yourself in the unique experience of an Italian pizza dinner. Start with a tasty bruschetta and make a toast to the good life: water, wine or a soft drink is included. Taste the pizza you prepared and find out whether you developed the skills of an authentic pizzaiolo. After this cool experience, you can fully enjoy some time to stroll around on your own. Trastevere is one of the cores of the Roman nightlife, bustling and busy with pubs, restaurants and clubs for all ages. You can have a walk before heading back to your hotel. Overnight stay in Rome.

Day 3 ROME

After a rich breakfast at the hotel you will meet your driver who will take you to the meeting point with your local foodie guide. You will enjoy a lovely walking tour through local food markets, grocery stores and gelato shops in the areas of Campo De' Fiori, Trastevere, and the Jewish Ghetto. We know that walking makes one hungry, that's why we thought you'd appreciate some pit-stops! You'll enjoy a slice of freshly baked crispy "Pizza Bianca" (Rome's own version of focaccia) cut in half horizontally and filled with thin slices of freshly cut "mortadella": a traditional, more-Roman-than-the-Colosseum easy snack that locals love. And what about trying a "Suppli"? This little ball of deep-fried tomato sauce risotto with a heart of melted mozzarella cheese is everyone's favorite street food. Pasta will be on the list too, along with some dishes from the Roman Jewish tradition: "Carciofo alla Giudia", a deep-fried artichoke that looks like a tiny sunflower, as well as "Filetto di Bacalà", a battered and deep-fried fleshy cod fillet. Save some space for dessert, because we won't skip our portion of artisan "Gelato"! At the end of this experience, meet your driver to head to Vatican area, ready to join a super-agile group of less than 8 people. Meet your professional guide and take a tour of the Vatican Museums, Sistine Chapel and St.Peter's Basilica, skipping all lines! Admire the Gallery of Tapestries, the Geographical Maps

and the beautiful Raphael's rooms before arriving at the Sistine Chapel, Michelangelo's masterpiece! After the Sistine Chapel you will be taken, through an exclusive access to St. Peter's Basilica, skipping long lines. At the end of the tour, time at your leisure to discover hidden corners of Rome. Overnight stay

Day 4 ROME

Today, after breakfast, you will visit Tivoli and its Villas on a private tour. You will meet your Driver to head to Tivoli, a small town located few kilometers away from Rome, in a splendid natural environment between the Eternal city and the high hills to the east of Rome. It's a world-renowned town for hosting two UNESCO World Heritage Sites. It's here that, back in the 2nd century AD, the emperor Hadrian built his majestic villa: a luxury country residence where he used to retreat and where he lived his late years. The huge complex includes more than 30 buildings, several swimming pools, former thermal stations and covers an area that's larger than a square kilometer, which gives quite an idea of this place's aim: to show the greatness, opulence and vast power of the emperor. In the 16th century, much of the remaining marble and statues were removed from Hadrian's Villa by Cardinal Ippolito II d'Este, to decorate his own villa located nearby: Villa d'Este, another UNESCO world heritage site. Largely frescoed on the inside, the Villa is surrounded by a unique garden, displaying a complex system of pools, water jets, channels, fountains, cascades, and water games. And what makes this system of fountains such an incredible masterpiece of engineering is that it works entirely by the force of gravity, without pumps. Enjoy your day!

Day 5 ROME

Breakfast at the hotel and transfer to the airport. End of our services

Campania

CAMPANIA FELIX

Romans used to say that the Campania region is felix—that is, fertile, fecund, rich, and happy. It's not a secret that Campania represents some of the most celebrated parts of Italian cuisine, from its espresso coffee to the original pizza, which, in 2017 was named to the UNESCO Representative List of the Intangible Cultural Heritage of Humanity.

But Campania doesn't just only delicious, characteristic flavors. Amazing seascapes and a suggestive patchwork of colorful towns overlook the glittering blue Mediterranean from the Amalfi and Sorrento Coasts, as well as on lovely little islands such as Capri, Ischia, and Procida—all perfect for relaxing and sailing. The electrifying metropolitan life on the streets of Naples is waiting for you, while signs of ancient life are frozen in time in the impressive archaeological sites of Pompeii, Herculaneum, and Cuma.

ITINERARY

Day 1 NAPLES

Welcome to Naples! Meet our driver at the airport or station and transfer to your hotel. Overnight stay in Naples.

Day 2 NAPLES - POMPEII AND MT VESUVIUS

Today a must-see for every traveler who visits Italy: Pompeii and the Volcano Vesuvius! Wake up in the morning at your seafront located hotel and after breakfast, wait for our driver at about 7.45 am to pick you up to reach the meeting point where your guide and a small van are waiting for you. You will be amazed visiting Pompeii, the most famous and evocative archaeological site in the world (UNESCO World Heritage Site) and, after this unique experience, you will take an excursion on the volcano Vesuvius, "the Big Giant", which caused the destruction of this city in 79 AD. The Roman city of Pompeii disappeared under a thick layer of volcanic ashes, blasted over the city as a consequence of a devastating volcanic eruption which killed its inhabitants making it disappear for about 1600 years, until it was rediscovered as one of the best-preserved ancient spots of the world. Frozen at the moment it was buried, this unique archeological site provides a unique snapshot

of the Ancient Roman city life. Walking along the streets of Pompeii, you'll discover houses, bakeries, and shops and you'll catch a glimpse into the everyday lives of the Ancients. After Pompeii, drive up Mt Vesuvius and stop in a local restaurant located in a panoramic place along the slopes. Enjoy your wine tasting with local food. Whereupon, our driver will lead you to 1000 m altitude and once there you will walk to the real top of the volcano to see the crater. At the summit, you can enjoy the explanation made by a professional guide of the National Park, or just peek into the crater on your own. You will admire the summit of Mount Somma (1133 m) and to the right the cone of Vesuvius (1281 m), both separated by a valley, called Valley of the Giant. Mt Vesuvius is majestic and stunning at the same time. It is absolutely worth visiting it! At the end of the visit, we'll board our van and travel back to Naples. Overnight stay in Naples.

Day 3 NAPLES - AMALFI COAST

No holiday in Naples is complete without a trip to the enchanting Amalfi Coast! Home to limoncello, the delicious lemon liqueur, the Amalfi coast is a stunning location and a UNESCO World Heritage Site. After breakfast at the hotel you will meet your driver at about 7.45 am who will

take you to the meeting point where our English-speaking driver is waiting for you. Explore the famous Amalfi Coast on this small group full-day excursion. Colorful tiny houses perched upon cliffs and amazing views of the ocean are only a small part of what will make you fall in love with this exclusive destination, one of the most charming villages of southern Italy: Positano and Amalfi. You will be taken to Positano, that, thanks to its splendid panoramic position and enchanting town center, is one of the most beautiful villages in the south of Italy. From the quaint, colorful shops that line the roads, to its numerous world famous beaches, Positano will leave you amazed. We will then move on to Amalfi: with its Mediterranean architecture, stacked houses and colorful buildings, Amalfi is definitely one of Italy's most VIP summer destinations. You'll spend a whole day with us, touring around the marvelous Amalfi coast, until finally you'll be driven back to Naples. (Transfer to the hotel included). Rest of the day at your leisure to discover hidden corners of Naples. Overnight stay.

Day 4 NAPLES

Breakfast at the hotel and transfer to the airport or Station. End of our services.

Toscana

IN THE HEART OF THE RENAISSANCE

Few regions have the charm of Tuscany. Divided between an extremely refined culture, valuable art and historical sites, and a genuine tradition of exquisite food and red wines, Tuscany has it all. And we'd love for you to sample all of these intriguing aspects.

We suggest you wander through Tuscany's rolling hills and fragrant vineyards, indulging in the pleasure of traditional cuisine and tasting local wines such as the velvety Chianti, an authentic Brunello di Montalcino, or the fruity VINO Nobile di Montepulciano. In between, visit the celebrated historic centers dotted across the region to travel into the very heart of the Italian Renaissance and Middle Age fairytales.

We absolutely recommend Florence with its famed art galleries and unique architecture, amazing boutiques and local artisans, but you also can't miss either the surrounding UNESCO World Heritage Sites: Pisa and its Leaning Tower, San Gimignano with its Medieval towers, Siena and its long-running Palio horse race, Pienza, Lucca, Monteriggioni, the Val D'Orcia, and the aristocratic villas and gardens once owned by the powerful Medici family.

Emilia Romagna

ON THE ROAD TO EMILIA ROMAGNA

A region built along a road. Emilia Romagna was developed along the ancient Roman street Via Emilia, unifying its multi-faceted culture and its many lively cities, including Bologna, Parma, and Ravenna; its Medieval tower-filled hamlets such as Brisighella, and its amazing countryside, from the smooth Apennine mountains to Rimini on the Adriatic coast.

Bursting with welcoming people, delectable local cuisine, and suggestive landscapes, Emilia Romagna is also the home of movie director Federico Fellini and luxury sports car founder Enzo Ferrari.

When in this all-encompassing region, our suggestion is to combine all of its wonders—visit its historic and artistic sites with its motor valley, stopping along the way to sample unforgettable delicacies: Lambrusco wine, Prosciutto di Parma, Aceto Balsamico di Modena, and Parmigiano Reggiano cheese.

Liguria

PICTURE-PERFECT CINQUE TERRE

Cinque Terre translates to “Five Lands,” representing five lovely villages dating back to 11th century: Monterosso al Mare, Vernazza, Corniglia, Manarola, Riomaggiore. Each town gracefully clings to the rocky coast of Liguria, offering one-of-a-kind views of Italian life and the stunning Ligurian Sea. Cinque Terre and its colorful clusters of old fishermen’s houses, make up a national park and a UNESCO World Heritage Site, casting a spell over everyone who visits.

The Cinque Terre also serve as an ideal place to start an adventure through France or the rest of the Liguria region. Nearby Genoa boasts an historic Old Town, while other picture-perfect destinations include the exclusive Portofino, Rapallo, Tigullio, and Santa Margherita Ligure. For the most dreamy trip through Northern Italy, be sure to visit the 8th century Abbey of San Fruttuoso, the small harbor of Lerici with its castle and evocative Gulf of Poets, and Sanremo, home to an annual music extravaganza.

Veneto

ROMANTIC VENETO

Traveling Veneto means opening a treasure chest filled with an incredible variety of artistic jewels, historical cities, and unique natural landscapes. We love the magic atmosphere of Venice, the City on the Water which has charmed travelers, painters, and artists for centuries.

Then there is Verona, with its Medieval architecture and the still-active Roman Arena, a must-visit location for lovers of music, art, and history. Also the city where William Shakespeare set his play *Romeo and Juliet*, visitors can still visit the Gothic house with the balcony said to have inspired the Bard.

Meanwhile, nature enthusiasts can easily venture to the biggest lake in Italy, Lake Garda, and the impressive Dolomite Mountains. The pearl of the Dolomiti, Cortina d'Ampezzo, is the perfect spot to spoil yourself with serene landscapes, skiing, and other exciting outdoor sports. Or, opt for relaxing spa treatments and delicious traditional mountain cuisine all in a spectacular setting.

OPTIONAL PRIVATE TOUR: MADDALENA'S ARCHIPELAGO

Maddalena archipelago is the place that combines a unique nature and crystal clear sea with the characters of world history.

Off the northeastern coast of Sardinia, there is an archipelago of 52 islands, large and small: Maddalena, Caprera, Santo Stefano, Spargi, Budelli, Santa Maria, Razzoli and other islets with white beaches, a stunning pristine sea clarity and transparency, and with colors that change from dark blue to emerald green. But the most unique place is a beach with the pink sand, the island of Budelli, unfortunately closed to the public.

La Maddalena, the largest island of the archipelago, located off the northern coast of Sardinia, deserves special attention. On the Island, Cala Gavetta, an old fishing village, with time became an harbour city, in the center of which are located many restaurants, bars and taverns, some already in business since the seventeenth century.

The island has been inhabited since the Neolithic period, but it was abandoned after the fall of the Western Roman Empire and became home for shepherds.

On February 23, 1793, the island has faced an attempted invasion of the 'French army, under the command of a young Corse, an officer named Napoleon Bona-

parte, which the Direttorium had entrusted the secondary action of a maneuver that was to lead to the conquest of Sardinia: the assault on the island of Maddalena, already then an important naval base. Napoleon, occupied the island of St. Stephen in front of Maddalena, he installed the battery 3 cannons and mortars that were with him, and began a bombardment. The inhabitants of La Maddalena managed to repel all French attempts to land and organized an expedition against the small French fleet, forcing the French to set sail. Napoleon categorically refused to re-embark. To convince him to flee was the action of local inhabitants that counterattacked and almost managed to catch him.

The archipelago is also known as the last home of "the hero of the two worlds" Giuseppe Garibaldi, who built at Caprera the famous 'White House'. Currently the house is a museum open to visitors.

During the excursion you can admire the most beautiful beaches compared not only to those in Sardinia, but throughout Italy; you will discover the history and culture of the island that has so impressed Giuseppe Garibaldi to choose this island as his last refuge. Thus he wrote in his diary: "If there is a heaven on earth I found my Caprera."
